Crowdfunding consultancy

- Meeting / call / video chat where we explain how to structure your campaign (what platform, what goal / adequate amount of money to collect, what benefits, what means of communication, what text/other content to use in order to present yourselves)
- Revision of contents created by you
- Communication of the campaign through our channels (social, newsletter with 1500 users in constant growth)

In case you desire more support from us (e.g. video-making, writing of presentational letter, etc...), the price of such service will be discussed case by case.

EXTRA CONSULTANCIES on projects proposed by quartets: the cost will be discussed case by case.
